vs.)	TENTATIVE FINDINGS
)	
NGOSI E. WILLIAMS,)	
)	
Defendant.)	

The Court has received the Presentence Investigation Report ("PSR") and the Defendant's objections thereto (Filing No. 33). See Order on Sentencing Schedule, ¶ 6. The Court advises the parties that these Tentative Findings are issued with the understanding that, pursuant to *United States v. Booker*, 543 U.S. 220 (2005), the sentencing guidelines are advisory.

The Defendant objects to the drug quantity set out in ¶ 17 of the PSR. The plea agreement noted that the parties had not agreed on a drug quantity and the issue would be resolved at sentencing. The issue will be heard at sentencing, and the government bears the burden by a preponderance of the evidence.

IT IS ORDERED:

1. The Defendant's Objection to the Presentence Investigation Report (Filing No. 33) will be heard at sentencing;
2. Otherwise the Court's tentative findings are that the Presentence Investigation Report is correct in all respects;
3. If **any** party wishes to challenge these tentative findings, the party shall immediately file in the court file and serve upon opposing counsel and the Court a motion

challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

4. Absent submission of the information required by paragraph 3 of this Order, my tentative findings may become final;

5. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing; and

6. If the parties need more than 30 minutes for the entire sentencing hearing, they should immediately contact Edward Champion and reschedule the hearing.

DATED this 4th day of December, 2007.
